Spring Opening Displays.

We Welcome You
To the Finest Exhibit of Style
Fancies We Have Ever Made.

Tuesday and Wednesday are formal show days.

Following the footsteps of time, the Smart & Silberberg Store has moved along to its Twentieth Spring Opening of Fashion.

The exhibition of style fancies here is invariably an inspiration for each successive season. We endeavor to broaden the scope and usefulness of the store—try to make it more and more the home of the very best there is to be had in the way of appareling.

On these opening days we ask that you give your best thought and consideration to the most unusual presentation of

Millinery, Suits, Dresses, Gowns,
Waists, Embroidered Robes,
Trimmings, Silks and
Dress Goods.

From the view point of price, the assortment is sufficiently large to enable you to make choice, at about the figure nearest your purse limitations—if there be such. In any event, you will not have to pay more than you had figured on paying, and you'll have the satisfaction of knowing that whatever you pay, the best value and best style will be yours.

Let the name Taylor tailoring be photographed thoroughly on your mind. It is a good thing to remember, when you want a Suit or Overcoat of style and distinction. Just now is a good time to look over the complete line of all wool fabrics and to see the new ideas which are going to be popular for the Spring. Taylor tailoring is thoroughly insured against dissatisfaction. A guaranty goes with every garment that makes it quite impossible for anything to be wrong. And most important of all, the prices we quote are the very lowest for high grade made-to-measure clothes. Polite service at

Spring Suits.

Fashion says that this will be a great season for cheerful clothes—and we believe in fashion and so provided liberally.

When you see the beautiful new color combinations in our suits, we're sure you'll be pleased with them.

We represent the Hart, Schaffner & Marx make of clothes for men, and the Ederheimer, Stein clothes for young men and boys.

Lookers and buyers are showering us with many compliment on both lines.

But we haven't overlooked the man who will wear nothing but quiet effects. We have a stock of these conservative patterns bigger and better than ever before—new weaves and new models.

WHY WE ADVERTISE

IN THE NEWSPAPERS

Because we want you to know of the class of work turned out in our establishment.

Because we cater to the intelligent class and they read the papers.

Because we can talk to more people through the newspapers, at a greater distance, in less time and at a more reasonable price than in any other way.

Because newspaper advertising brings the best results when placed in a first-class medium.

Because we know it is seen and read by almost everyone in the house where the paper goes.
